

S'Mores Brownies

- 1 (21.5 oz.) package brownie mix
- 6 graham crackers
- 2 cups mini marshmallows
- 12 oz. milk chocolate bars, coarsely chopped

1. Preheat oven to 350 degrees. Prepare brownie mix according to package directions. Spread into a greased foil-lined 9x13" pan.
2. In a medium bowl, break graham crackers into 1-inch pieces and toss with mini marshmallows and milk chocolate. Set S'More mixture aside.
3. Bake brownies for 15 minutes. Remove from oven, and sprinkle the S'More mix evenly over the top. Bake for an additional 15-20 minutes, or until a toothpick inserted in the center comes out clean. Allow brownies to cool before cutting into squares. Enjoy!
