

# Our Primary Colors

no. 258

select three volunteers to come up to the front and have each one hold a colored number. (print each number below onto the appropriate colored cardstock and laminate for durability.)

have them hold up their number high when indicated below in the lyrics. once all the children have learned the song well enough, have them combine it with this idea:

when a color is called, have all the primary children in the room who are wearing that color stand. some of them might stand all three times!

Happy Singing!

Katie

# Our Primary Colors

Our Primary colors are 1, 2, 3 ---- 1, 2, 3  
red, yellow, & blue.

Each one has a message for you and me. Each is a symbol true!

1 is for courage to do what is right,  
red

2 for service from morning till night.  
yellow

3 Blue is for truth in our thought and our deed.

We will be happy when this is our creed.
